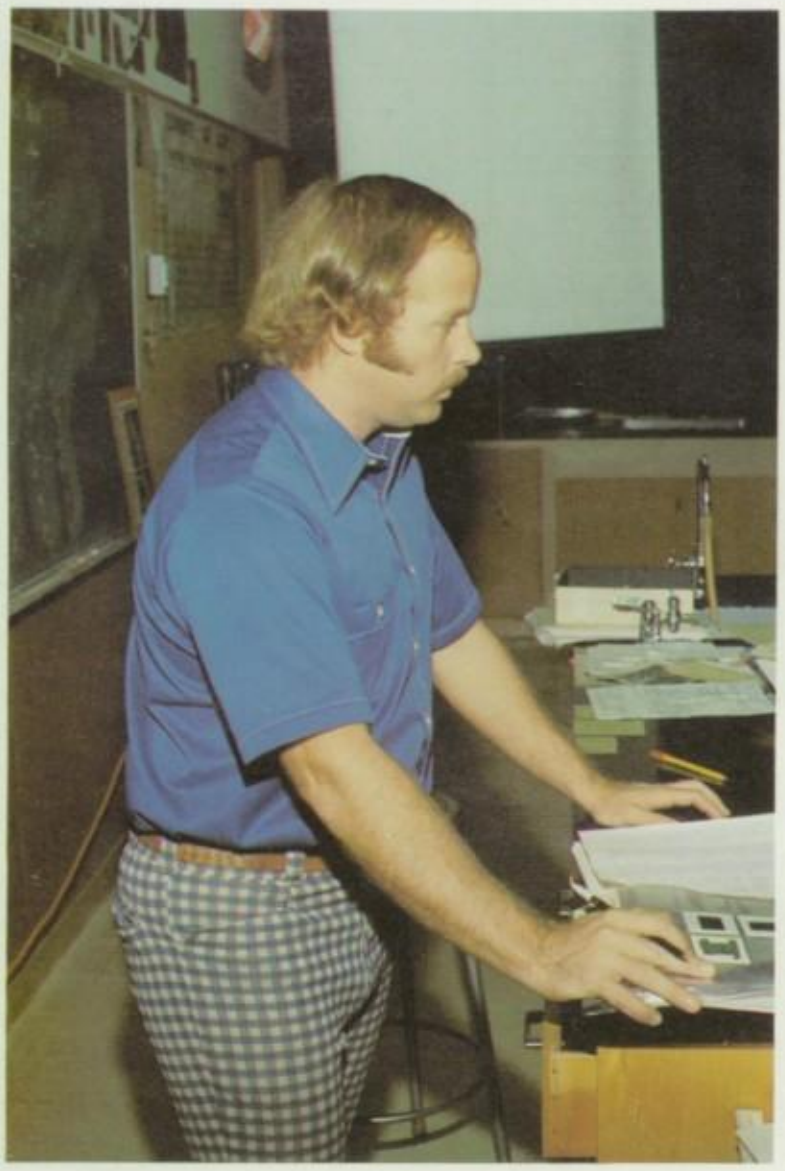
Mr. Ron Parker



There are few people on this earth today who are correctly described as active. So many of us would prefer to pass the task on to someone else, to exist as a follower rather than participate as a leader. Once a situation of involvement arises, the hint of responsibility seems to prompt the silent majority to artfully dissappear.

But from deep within the apathetic masses and circles of well-experienced escape artists comes forth a rare kind of person. That kind of person is Mr. Ron Parker.

A man who's basic duty is to teach biology goes far beyond by managing the Wilderness Club and Summer Teen Club. Two jobs yielding little material gain, but for him, high in personal satisfaction. It would require a sincere concern and enthusiasm to spark life into both clubs especially during the summer months, but Mr. Parker displays both virtues along with quite an array of others used to spur interest in his biology classes and create a positive attitude for himself and those in touch with him everyday.

Fall Student Council . . .

ASB Officers

Pres.-Michele Simon, V.P.-Terri Grass, Sec.-Laura Wilkenson, Treas.-Lori Reynaud.

Senators

Richardo Gorecki, Bonnie Knowlton, Lisa Brewer, Debby Olson, Janet Spalding.

This semester student council worked hard to achieve its goals. The school was visibly changed by the opening of smoking areas, the painting of bathrooms and the Longhorn in the bowl. To promote school spirit, a pie-eating contest, Rugby Shirt Day, Denim Day, and Spirit Week were held. Fundraising projects included a daisy sale, and Senior Slave day, Senior Citizen day, and a blood drive benefitted the community.

Senior Class Officers

Pres.-Kim Henry, V.P.-Corey Fukushima, Sec.-Delene Waltrip, Treas.-Janet Brown.

Foreign Exchange Students

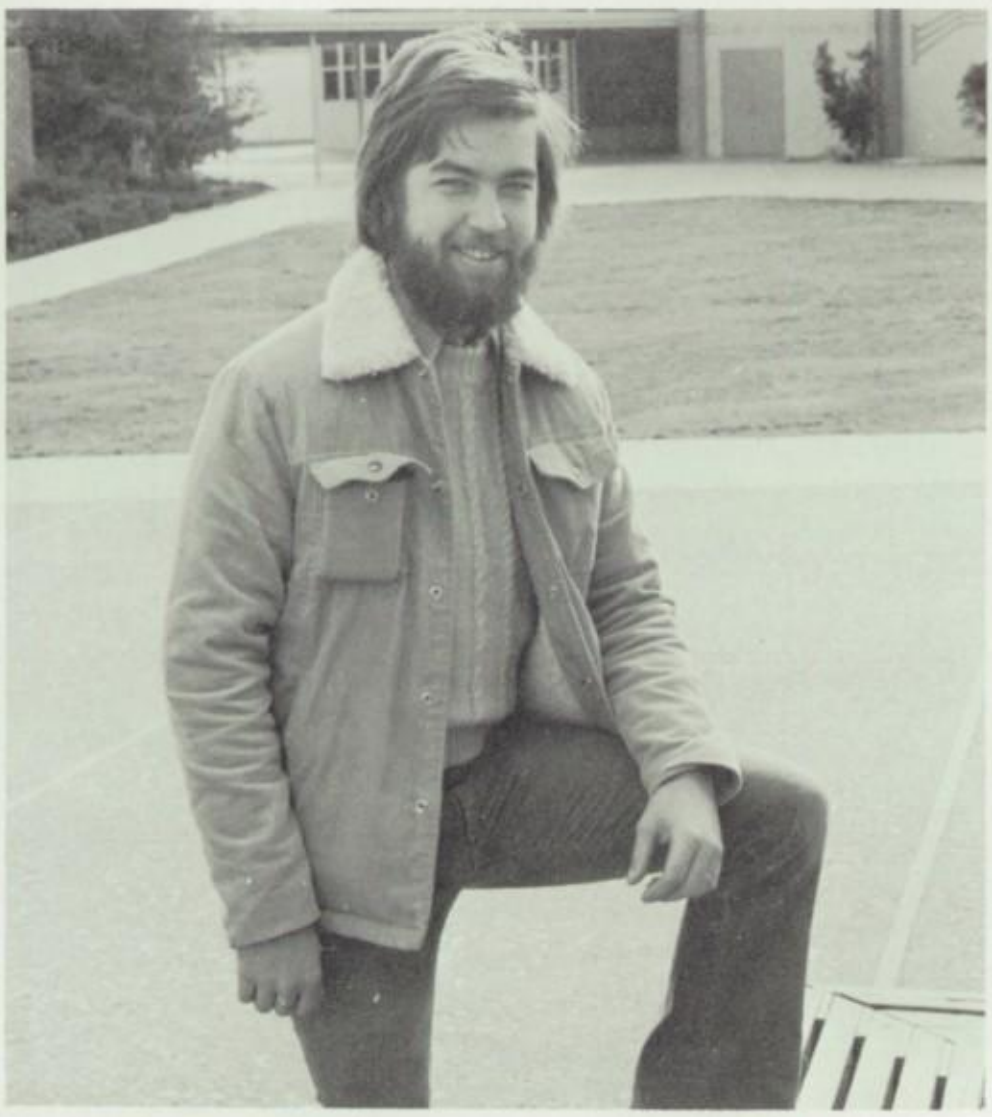
Hej

We are Maggie and Mia, Leigh's foreign exchange students this year, and we come from Sweden. We'd like to thank all of you that helped to make this year a great memory for us. Both teachers, friends and last but not least our great families.

It has been a very different and exciting year, to discover American culture and customs.

The high schools in Sweden are quite different from here. You graduate when you are sixteen and we don't have any after school sports. There are a lot of different things, but also some similar ones between your country and ours. By the way, WHY don't YOU try to take the opportunity to see another country? Why not Sweden? It is a beautiful country. We will show you around. Thank You All.

Heida!
With Love
Maggie and Mia



Travel Brings the World Closer Together

I like living in the United States and want to stay here. I plan to become an electrician when I graduate. I have met many new people and have enjoyed this year at Leigh High School.

Underclassmen: The Schools' Future

Preparing the Vintage '77 for the students of Leigh was an exciting challenge which the Vintage staff took on with great enthusiasm and anxiety. I would like to take this opportunity to express my gratitude to them for their dedication, patience, and interest. They committed themselves to producing a yearbook that would vividly capture the school year. I feel that they have achieved this.

My many thanks to section heads Colleen Troy, Eileen Eik, Debbie Cooper, Jane Quist, Robin Richmond, Diana Struich, Ron Conway, and Roberta Mixon for their efforts, especially for the long hours that they worked. Other staff members who are to be commended for their work in producing the Vintage '77 are Deanna Medeiros, Grace Kramer, Brenda Richmond, Janice Watkins, and Cris Wemple. The work done by the advertising staff, especially Patty Jones, Debbie Olson, Joanna James, Kari Scott, Delene Waltrip and Cheryl Keeler has also been greatly appreciated.

I would like to thank Chris Sanders for the work he contributed to the Dedication.

Many contributors to the yearbook were photographers Chris Johnson, George Delgado, Mr. William Eik, Vince Olson and Photo Commission. Their cooperation in assisting the Vintage staff was fantastic.

Much appreciation is owed to Mr. J. R. Myers, for his guidance and understanding.

The Vintage '77 staff wishes to thank the advisors Chris Ray, Rhonda Winter, and Harriet Robles for their support and encouragement, and for the hours which they spent working with us on the yearbook.

My hope for this yearbook is that it will be cherished for years to come for the collection of memories that we have tried to capture.

I was really glad to get to know you better this year. You're really very nice. I hope to keep going squaredancing with you this summer. When you get your license, it will be double trouble for the road! (ha ha) Oh well, have a good summer and of course, keep in touch. Bye! (Hope to have you in a couple classes with me although you're a better student than I am!) Love, Rena

P.S. Or don't get involved with Mr. Rea any more than you are. I hope you get him for Alg. II next year. "Who could ask for anything more?" HaHaHa!
